

Mattapoissett Community Sailing Association, Inc. Membership Application

The Mattapoissett Community Sailing Association, Inc. ("MattSail") was incorporated in 2007 to provide a safe and affordable sailing education program for the residents of Mattapoissett, Marion & Rochester. Our initial and signature program is the William E. Mee Youth Sailing Program which consists of three (3) two-week sessions for students age 6 to 13. MattSail is also sponsoring a coed High School Sailing Team at Old Rochester Regional High School which was approved in November for the Spring of 2015. With your financial support, it is our goal to develop and grow a competitive team. Finally we continue to work to expand our Adult Sailing Instructional Program to teach basic sailing nomenclature and safety rules to adult beginner sailors or for adult sailors who need to build confidence in their sailing ability.

Please become a Member of MattSail. Your financial support will insure the continued viability of our charitable organization. Benefits of Membership are as follows:

- Advance notice and signup for programs and events.
- A membership decal showing your support.
- Patron or Corporate Members receive a free MattSail sweatshirt
- Non-resident Members are eligible to participate in our sailing programs.

Please choose your Membership level or insert a Pledge Amount of any size below.
