Lessons to take place on evenings as agreed upon between instructor and students. Your instructor will contact you a half hour prior to your scheduled sailing time. If you need to cancel your lesson, please contact your instructor no later than 30 minutes prior to your scheduled sailing time.

Please be advised that sailing lessons may be canceled and rescheduled due to inclement weather.

Enrollment is open to all MCSA members as well as Year-Round & Summer Residents of the Towns of Marion, Mattapoissett & Rochester.

MCSA shall conduct its Private Sailing Lessons Program using keeled sailboats which provide a stable sailing platform in most conditions. However, students may be exposed to spray and wet conditions. Students should supply their own lifejackets, however a limited number of lifejackets will be available. Students must understand that summer evening sailing conditions can be cool. It is therefore recommended that students dress appropriately and bring suitable foul weather gear or other water resistant clothing based upon the conditions.
